

WELSH BACCALAUREATE SKILLS CHALLENGE CERTIFICATE

National/Foundation

Enterprise and Employability Challenge

Victory for Velindre Challenge

Available for assessment from September 2021

Victory for Velindre

PURPOSE

The purpose of the Enterprise and Employability Challenge is to develop learners' skills, whilst providing opportunities for learners to develop enterprising skills and attributes and enhance employability. During the Enterprise and Employability Challenge learners will explicitly develop skills in **Creativity and Innovation, Personal Effectiveness and Digital Literacy** and apply them in an appropriate manner.

BRIEF

Velindre Cancer Centre have been providing specialist supportive care and treatment for cancer patients in Wales for over 60 years. The **Hospital of Hope** leads on ground breaking clinical trials and international research. More people than ever are living with cancer and survival rates have doubled in the last 40 years through better treatments and earlier detection. Our **Hospital of Hope** provides hope to all our patients and their families.

Velindre is recognised as the leading Cancer Centre in Wales and currently treats over 1.5 million people in South East Wales and beyond. We aim to provide the very best care, when people need us most.

Victory over Cancer is our main aim at Velindre, and with your help, we can reach that goal quicker through innovative research and clinical trials. Become part of the Velindre family and help make a difference by undertaking the **Victory for Velindre Challenge**.

Choosing the **Victory for Velindre Challenge** will be your opportunity to help us support those facing a cancer diagnosis. You and your team (3 – 6 members) should use your research into **Velindre** to produce a product or service that could be sold to raise funds for the charity. Our knowledgeable team are on hand to offer help and to support you, your team and your school if required.

Take the Challenge further?

By taking part in the **Victory for Velindre Challenge** you have the opportunity to take your idea to an annual competition which could see your product or service become a reality and sold to raise funds for Velindre. Are you the next winner of the Shane Williams Award for Creativity, or the Sam Warburton Award for Presenting? Ask your teachers to get in touch with the Velindre team to find out more.
